# The Hippy Market 40 Years Young

Since 1973 the Punta Arabi Hippy Market is a genuine attraction that each year attracts thousands of Ibiza visitors. From April to October the beautiful grounds of the Club Punta Arabi become a melting pot of different cultures from all over the world to come together in a unique point of the island. Every Wednesday from April to October more than 500 craftsmen and artists offer a variety of their most unique creations: crafts, fashion, jewellery, natural cosmetics and original items brought from different parts of the world. All surrounded by performances from musicians, artists and living statues, creating the most unique and unforgettable charm at the original Ibiza's Hippy Market. Get yourself a henna tattoo or a massage, dress up like an original hippie

or just relax in the gastronomic areas where you can enjoy our unique cuisine, such as homemade paella.

Enjoy watching the colourful flea market, live performances and shows in the multicultural tent and the newly established playground for the little ones. An unforgettable experience for the whole family.

This year 2013 we are proud to celebrate the 40th anniversary of the Punta Arabi Hippy Market and we want to celebrate it with you. Enjoy it!

In our multicultural tent we have live performances every wednesday from 14.00 to 16.00 h. Musicians and bands from the island as well as artists from all around the world spread their unique vibe.

Afro-Reggae, Flamenco, Spanish Rock, music of the 70s, trance electronic sounds combined with ethnic influences in other words, a variety of different styles performed by colourful people from all over the world. This is the true spirit of the authentic Ibiza Hippy Market.

Opening hours: April, may and october: from 10.00 to 18.00 h, June, july and september: from 10.00 to 19.00 h, August: from 10.00 to 20.00 h
